Special Celebration 11 Years: The Shinsky Orphanage is celebrating 11 years of being open and feel so blessed that our children are doing well, and deeply appreciate living in a home that is safe, loving, and inspiring. Our children recently established their home as an IZZONE, honoring Michigan State and Coach Tom Izzo. Our children are Spartans at Heart and have done well throughout the pandemic, without one child or staff person having COVID. Our Matamoros Family continues to support each other, while striving to do their best in school and at home. We also maintain our faith, believing that we are going to get through this situation both physically, mentally, and financially. Our orphanage staff are saints that have been there for our children all day, every day. We are so appreciative of their dedication and support of our children. Lastly, we sincerely appreciate all of the exceptional people who continue to support our children with donations and prayers. We would never be where we are today without you!
