

Dear Shinsky Orphanage Supporters:

I hope you are doing well. I am sending this email to inform you that the 2018 Shinsky Orphanage Golf outing is not going to take place this year. This was certainly a difficult decision, however, we recognize that our schedules and demands limit our ability to contribute the necessary time to the golf outing.

As of January 1, 2018, I am serving as the Chairperson of Board for NPH (Nuestros Pequeños Hermanos) USA, which requires a significant amount of my time. This responsibility includes leading our board and Regional Director's efforts to raise monies for all of our programs in nine countries throughout Latin America. In addition, I will continue to lead the fundraising efforts for Ciudad de los Niños Shinsky Orphanage and fulfill my work responsibilities at Grand Valley State University.

I have cherished our time together and the support for a cause that has had so much positive impact on the lives of our children. This has truly been one of those **“exceptional opportunities”** that not only touched the hearts of the children we are serving, but the hearts of each-and-every one of us.

I will make every effort possible to keep you informed of the progress made at the orphanage. Please know that you will always be in the hearts and souls of our children, Cindy and me. Thank you for all of your support. **With Deep Appreciation**, John & Cindy Shinsky

It is all for our children and their future! (From beginning to graduation.)

We still have significant needs for our children.
